

## Mock-up Notes

Creative Director: Eric Liu

Designer: Brendan Yang

### Improvements:

- Space out the texts into multiple paragraphs.
- Include texts to go with timeline
- Align texts from content pages with headers
- Include more texts and images that contain the dark red of the bulls game

### What to keep:

- Singular home page
- Good choice of texts and pictures
- Movable title

## 4/14 Mock-up Notes

Creative Director: Eric Liu

Designer: Brendan Yang

### Improvements:

- Include more pictures
- Move the timeline to a separate page
- Have the home page to include only a picture and short description
- Work on the other content pages

### What to keep:

- Color choice
- Good design for the MJ logo
- Good font options
- The black and white for the background and images are great

## Initial Build Notes

- One page homepage
  - Move title upwards
  - Colorized homepage photo
- Move timeline to career
  - Clickable timeline with circles
  - Overlaps with what is appearing in the home page, therefore only move it to its own separate page
- Philanthropy

- Text and pictures
- Include a darkened aspect for the navigation bar
